COMUNICACION- OTHER RELEVANT INFORMATION - FACEPHI BIOMETRIA, S.A.

Dear Sirs,

FacePhi announces the signing of a contract with AENA, for the SUPPLY AND UPDATE OF A FACIAL BIOMETRICS SOLUTION, after having been awarded AENA's public tender. FacePhi will implement its technology for identity verification processes for both passengers and employees of AENA's network of airports.

The signed contract will have a duration of 4 years for a total amount of €1,486,580.14

The objective of this project is to improve passengers' experience, and the use of FacePhi's technology will require their prior knowledge and consent. It will not imply, in any case, actions applied to surveillance purposes, in line with the company's commitment to ethical biometrics.

With this new deal with a company of the travel and transportation sector, FacePhi continues expanding the use of its software to other industries, following the guidelines of its business plan.

We remain at your disposal for any clarification you might deem necessary.

Sincerely,

Javier Mira Miró
Chairman of the Board of Directors
