COMUNICACION- OTHER RELEVANT INFORMATION- FACEPHI BIOMETRIA, S.A.

Dear Sirs,

Under the provisions of article 17 of the Regulation (EU) No. 596/2014 on market abuse, and article 228 of the consolidated text of the Spanish Securities Market Law, approved by the Royal Legislative Decree 4/2015, of 23rd October, and related provisions, as well as in the Circular 3/2020 of BME Growth, we inform you about the following information related to the company FACEPHI BIOMETRIA, S.A. (hereinafter "FacePhi" or "the Company", interchangeably).

FacePhi incorporates a new industry into its business portfolio – shared mobility – thanks to Wible, Repsol's carsharing service developed in collaboration with Kia Motors Corporation.

Wible, one of the main shared mobility companies in Spain, will use FacePhi's digital onboarding solution to allow its customers to register as users through its mobile application, and thus be able to use its reservation, opening and driving services vehicular.

The technology will verify user's identity through an optical character reading system and the comparison of the patterns extracted from the face with the photograph of the document provided, all in a fast, secure, comfortable and real-time way.

The duration of the contract with Wible is for a period of one year, automatically renewed for successive annual terms.

In compliance with Circular 3/2020 of the segment BME Growth of BME MTF Equity, it is expressly stated that the information hereby communicated has been produced under the sole responsibility of the company and its administrators.

We remain at your disposal for any clarification you might deem necessary.

Sincerely,

Javier Mira Miró

Chairman of the Board of Directors
